Sub: Execution of W.O.D.C. projects – putting of Display Board on work-site.

Ref: L. No. 1703/WODC. Dt. 31.08.2007.

Sir/Madam,

I am directed to say that a number of projects are being implemented out of WODC funds through various agencies like Panchayat Samities/Urban Local Bodies/R&B/R.W./RWSS/PHD/Irrigation/M.I./OLIC/OAIC and such other bodies. The Council has issued instructions from time to time for fixing Display Boards at work-sites with insignia such as WODC funded project with detailed information like the estimated cost, year of implementation, expected date of completion, benefits to be accrued and other necessary information for the awareness of the general public. In the last meeting of the Finance Committee held on 09.06.2008 it was brought to the notice of the Council that despite instructions of WODC Display Boards are not provided at the work-sites by the Executing Agencies for which people are less informed about execution of W.O.D.C. work.

It is therefore requested to impress upon all the Executing Agencies of WODC funded projects in the District to put "Display Boards" at the work-site before commencement of the work.

Yours faithfully,
