Sub: Execution of WODC funded projects – instruction to be followed in execution of projects involving earth work.

Sir/Madam,

I am directed to say that a number of irrigation projects such as renovation and deepening of MIPs and Canals, Impvt./deepening of Bandhas/Katas/Check Dams etc. are being executed by various executing agencies like Irrigation/M.I./Soil Conservation/U.L.Bs/Panchayat Samities. In order to ensure proper utilization of funds for such irrigation projects involving earth work the executing agencies executing WODC funded projects may be impressed upon for adhering to the following points.

- (i) At the time of preparation of the estimate in respect of earth work the proposed project should be surveyed properly and leveling data has be incorporated in the Plan and Estimate. Digital photographs covering four sides of the projects are to be furnished to WODC to facilitate knowing present status of the project. The projects should be completed within scheduled time and photographs of the completed projects should be submitted to WODC along with the U.C.
- (ii) A certificate has to be furnished by the concerned executing agency stating the fact that this project is not funded out of any other grant / fund released either by Central or State Government vis-à-vis from any other agencies/organizations.
- (iii) In no case excess expenditure should be incurred over and above the approved amount without obtaining prior approval of WODC.
- (iv) Instructions of Government should be followed by the Executing Agencies in execution of WODC projects.

Yours faithfully,
